Missouri Connections & IEP Transition

Missouri Connections takes transition planning for the future to a higher level with interactive features, refined tools for learning, and additional links to Missouri-specific resources. Designed to guide students through the career planning process, the system opens the door for career awareness, eases students into college and career exploration, and directs preparation for transition into postsecondary education and the workforce.

Special Requirements: While each person will register individually, each district represented will need to bring **ONLY ONE** wifi laptop to use during the training.

Presenter: **Renee Bales**, field trainer for Missouri Connections. Renee was the Career Counselor and A+ Coordinator at Timberland High School, in Wentzville, including working with the special education teachers and students. She was also involved with many community organizations, including St. Charles County School Business Partnership that provided career awareness activities to students. Renee also teaches adjunct for Missouri Baptist University, in the graduate counseling department.

Audience: Special Education Teachers, Counselors, General Education Teachers, Administrators, Social Workers

Date: **Thursday, February 25, 2010**
