Challenger Learning Center
Boeing Teachers at SPACE CAMP
Tasmyn Scarl Front
205 Brotherton Lane
Ferguson, MO 63135

Boeing Teachers to SPACE CAMP will be conducted at the U. S. Space and Rocket Center in Huntsville, Alabama from July 9-15, 2007. Teachers arrive in Huntsville on July 9, 2007. Applicants must be public school teachers in the St. Louis metropolitan region and be teaching 4th – 8th grade math or science during the 2007-08 school year. Teachers must be available to arrive in Huntsville on July 9 and stay for the entire program. Boeing pays all expenses for air travel, ground transportation in Huntsville, lodging, meals and tuition to SPACE CAMP.
